OFFICIAL COUNTY PAPER DEVOTED TO THE INTERESTS OF LINCOLN COUNTY, NEW MEXICO

VOLUME 19

CARRIZOZO, LINCOLN COUNTY, NEW MEXICO, FRIDAY, OCTOBER 25, 1918.

NUMBER 43

## Over the Top

Lincoln county ran true to form in the Fourth Liberty Loan campaign, notwithstanding the obstacles encountered by the committee. Before the campaign actually opened Chairman Rolland was notified by the Federal Bank at Dallas that our quota had been fixed at \$112,000. During the campaign these figures were cut in half by the Federal Bank authorities, to \$56,450.

The fight for subscriptions, however, was continued with vigor, because it was reported that many localities had fallen down. The final result was very pleasing, as Chairman Rolland announced yesterday that our subscriptions had reached \$115,000—\$2,100 above the original figures and more than 100 per cent of the revised figures which it had been intended should have been first allotted to us.

## Little Johnson Girl Ill

Ruth, the three-year-old daughter of Mrs. Edna Johnson, is quite ill again this week. Mrs. Johnson took her little daughter to El Paso several days ago, and Ruth's condition quite materially improved. Mother and daughter, therefore, returned home, and, contrary to expectations, Ruth's condition has grown perceptibly worse. The father left some time ago for England to enlist in the English service.

T. W. MEDLEY

Of Socorro County, Democratic Candidate for State Treasurer

T. W. Medley is one of the strong, influential and trusted bankers of the southwest. He knows finances and financial operations thoroughly and is exactly the man to have charge of the disbursements of the state. He is of the same type as his predecessor, Roy L. Hall, whose service has given complete satisfaction to the people of the state.

## Schale Boy Dies

The seventeen year-old son of Mr. and Mrs. Schale, Ancho, died at Roswell Wednesday. He contracted the influenza and pneumonia developed. Wayne Van Schoyck drove to Roswell Wednesday night to bring the body to White Oaks for burial. Mr. and Mrs. Schale, the parents, were at Hot Springs at the time of their son's sickness and death, but were immediately notified and have reached White Oaks. A large circle of friends extend sympathy.

FELIX GARCIA

Of Rio Arriba County, Democratic Candidate for Governor

Felix Garcia is not a politician but a business man. He has proved that in his careful, sensible handling of affairs as a member of the state tax commission. He will make the people of the state a business governor.

## Prepare to Meet Your Income Tax

Phoenix, Ariz., Oct. 23, 1918. —In order that those who have income and profits taxes to pay may prepare themselves in advance for the large payments, and to accumulate gradually the funds necessary to meet them, Collectors of Internal Revenue Lewis T. Carpenter calls attention of the taxpayer to the advantage of purchasing now treasury certificates of indebtedness bearing four per cent interest and maturing July 15, 1919.

The collector has been advised by the Secretary of the Treasury that certificates of this issue will be accepted at par, with adjustment of accrued interest, under rules and regulations to be prescribed, in payment of income and profits tax when payable at or before maturity of the certificates.

"It is the aim of the Government to make the floating of this issue of Certificates of Indebtedness a popular one," said Collector Carpenter, "and it will be to the advantage of those whose taxes are measured in comparatively small amounts, as well as the large corporations and wealthy persons, to participate in the purchase of these impregnable securities."

These certificates may be purchased at the Federal Reserve Bank or at any bank or trust company. They are in denominations of \$500, \$1,000, \$5,000, \$10,000 and \$100,000.

We meet all competition. Write or our prices.—Western Garage.

## R. T. Lucas Made a Captain for Efficiency

We introduce herewith Captain Robert T. Lucas, recently promoted to the rank of captain at Camp Pike, Arkansas. Captain Lucas received his commission as first lieutenant in the medical corps and left here April 8th for Fort Riley, Kansas. After a short but intensive training, Lieutenant Lucas was transferred to Camp Pike, Arkansas, where his training was completed and at the end of three and a half months he was assigned to regular duty.

The lieutenant labored long and faithfully, making a splendid

record and attracted the attention of his superiors. He was given special assignments and directed

## B. R. Wood Sends Letter From France

We are in receipt of a rather lengthy letter from Attorney B. R. Wood, who has been in France for the past three months. Naturally, he does not state where he is nor does he tell anything of troop movements, because of the censorship. However, he says the morale of our troops is of the highest and all the boys are anxious to get a whack at the Hun. As an evidence that the American artist is there and that a trite Yankee expression has also found lodgement there, the writer sends the impression of a rubber stamp, showing a German on the run and a "Sammy" with bayonet in position to strike the Hun in the loony of his pants, and underneath, the assertion: "We'll do it in spite of Hell!"

Harry Edmiston, foreman of the J. B. French ranches in the Grand Quivira country, was here the past week.

to make some specific examinations at stations other than Camp Pike, and success crowned his efforts. These special duties, satisfactorily performed, led to his promotion to a captaincy—a promotion all the more distinctive because he was the only lieutenant out of one hundred and forty at the camp accorded this honor. Captain Lucas now has charge of the third infirmary, his unit looking after the newly arrived men in camp. His family and friends are justly proud of this distinction accorded our own Dr. Lucas, and are particularly pleased that the promotion came as a recognition of merit. We salute you, captain.

## Two Funerals Sunday

Carrizozo witnessed two funerals last Sunday—both soldier boys whose deaths occurred away from home, their bodies having been shipped here for interment.

They were Gladney White, son of Mr. and Mrs. Joe N. White, who died at the Fort Bliss base hospital, and the other was Richard C. Morgan, who left here only a short time ago for Jefferson Barracks, Missouri. The latter leaves a wife, Mrs. Zella Morgan, daughter of Mrs. Mamie R. Grumbles. His remains arrived on No. 3 Sunday.

The inclement weather and the prevailing epidemic kept many away and these funerals were, therefore, unattended by scores who would have liked to pay their last sad tribute of respect to our soldier dead. A profusion of flowers bedecked the caskets, however, and the sympathy of the entire community was extended to the grief-stricken families.

## Robert Keller Wounded

News reached here this week, through the regular channels, that Robert Keller had been severely wounded. Robert was one of two brothers who left here last spring for the training camp and who soon after was landed in France. He has two brothers and two sisters living near Nogal, but if they have any later information as to their brother's condition than that contained in the casualty list we have not been advised.

J. S. LONG

Of Roosevelt County, Democratic Candidate for Superintendent of Schools

Prof. J. S. Long has been principal of the schools in several cities of the state and also vice president of the New Mexico State Teachers Association. He is an able educator, qualified by training and experience, and will take the schools of the state out of politics.

## For County Commissioner

On the fourth page will be found the announcement of William H. Sevier for Commissioner from the first district. Mr. Sevier received the nomination for said office from the Republican county convention recently held here. Since 1884, Mr. Sevier has been a citizen of Lincoln county and has made his home at Lincoln since 1886. Naturally, his acquaintance is county-wide, and he is well and favorably known by all old-timers. He requests the earnest consideration of his candidacy by the voters of the county and will appreciate their support in the coming election.
